

Event Day Logistics

PARKING

Blaney Plaza

Vendors will be permitted to park on the street on the same side as the plaza. Signs will be posted indicating that parking will be for vendors of the Saratoga Village **MarketPlace** only, the day before. No vehicles larger than a 2 wheel drive van will be permitted to park in that area; we need the space for all 10 vendors.

General Public

There are a minimum 70 parking spaces available in the lot behind US Bank, if shoppers park for 1 hour that makes available 280 spaces for the duration of the **MarketPlace**. This does not include street parking and the other public lots that are available.

Pedestrian Traffic

The City of Saratoga has done a wonderful job at providing adequate guidance for pedestrian traffic. There are plenty of well-marked crosswalks and we will be adding signage to direct people where the booths will be located.
